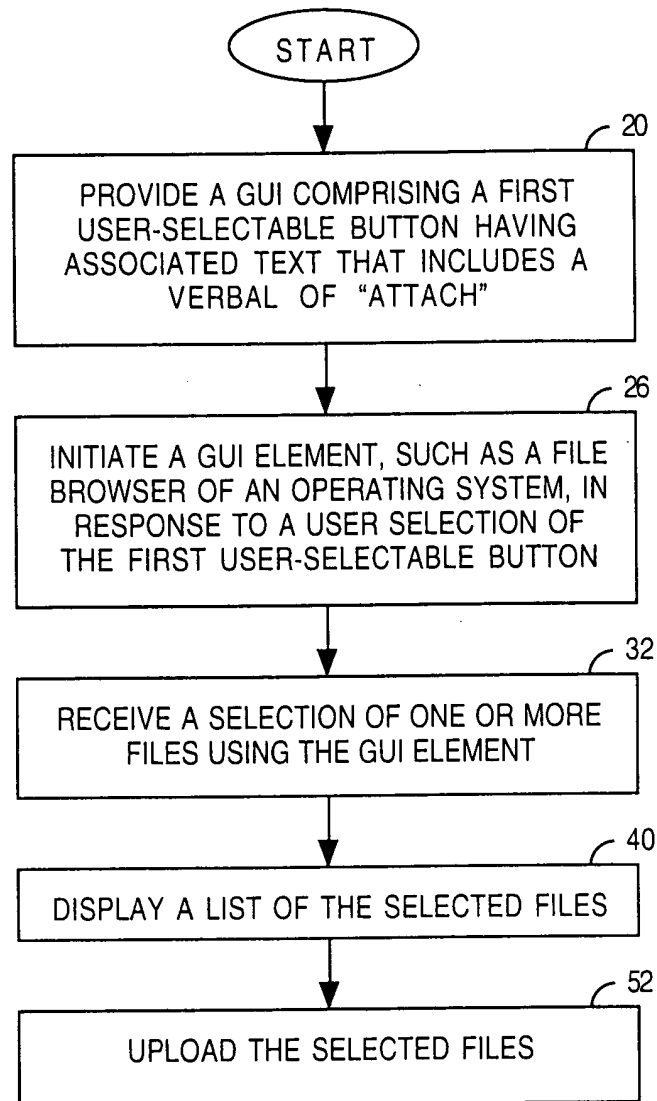

FIG. 2

SBC Unified Communications

The screenshot shows the 'Attach Files' dialog box in the SBC Unified Communications interface. On the left is a sidebar with navigation links: Message Center, External Email, Folders, Compose, Email, Voice mail, Fax, Address Book, Help Center, Mailbox Settings, Web, Telephone, Notification, Accounts, and Log Out. The main area is titled 'Attach Files (Preferred)' and includes a 'Help' button. Below the title is instructional text: 'To attach a file to your message, click the "Find File to Attach" button. In the window that pops-up, locate the file on your computer that you want to attach. Repeat this until you have all of the files you want to attach. When you're finished, click "Attach Files" to attach the files and return to your message.' Below this text is a 'File Name:' label followed by a button labeled 'Find File to Attach' (annotated with '22'). Underneath is a section titled 'Files to Attach' containing a list box with two entries: 'c:\ums\report.doc' and 'c:\ums\data.xls' (annotated with '42'). Below the list box is a 'Remove Highlighted File' button (annotated with '44'). At the bottom are two buttons: 'Attach Files' (annotated with '46') and 'Cancel Attach' (annotated with '54'). The SBC logo is visible in the bottom left corner.
